

42nd NUSSU Council COUNCIL FUNDING GUIDELINES AY20/21

Last updated: June 2021

I. GENERAL BACKGROUND

The NUSSU Council Funding Guidelines is developed to facilitate the administration of the NUSSU Council Funding Scheme (“**NUSSU Council Funding**”). Funding is open to all NUS undergraduates and facilitated by the NUSSU Finance Standing Committee appointed by the NUSSU Council.

Funding Scheme	Funding Amount	Target Student Organizations
NUSSU Council Funding	Not exceeding 50% of the total project cost, or up to \$1,500, whichever is lower	All student groups*, except NUSSU EXCO, Committees or Projects
	Not exceeding 75% of the total project cost, or up to \$1,500, whichever is lower	All student projects that <ul style="list-style-type: none">• are not part of or are not affiliated to NUSSU EXCO, Committees, Projects, and Constituent Clubs;• is in the first year of implementation; and• has not applied for NUSSU Council Funding for the past two Academic Years.

The above-mentioned funding scheme is geared towards students' interests in spearheading their own initiatives, and in doing so, it encourages a spirit of community vibrancy and dynamism. The plurality of student initiatives benefiting may include social and environmental causes and development projects for the NUS community at large – reflective of our Union's commitment to developing potential in every student, encouraging creativity and self-expression. It is hoped that with greater funding, students would be able to organize events of a higher quality and benefit more undergraduates across NUS.

This funding scheme is not acting as a safety net for projects but as an indication of support from the NUSSU Council and a form of encouragement for other NUS student groups to be involved in student-led activities. We hope that by this means, a more vibrant campus life could be created and hence promote events **for students, by students**.

**Examples of student groups: Constituent Clubs, Junior Common Room Committees, Residence College Student Committees, Interest Groups, Academic Societies and Independent Students*
